In Picture

ENGLISH CLASS

Is it an adjective or an adverb? Who wrote that story or who wrote that poem, are probably questions asked by Mrs. Carnohan's second period sophomore English class. They are studying a picture of Rip Van Winkle, a character in Irving's famous story.

and Story

SPEECH CLASS

The first period Speech Class and the officers of the Speech Club are learning that "Pantomime is the universal art that clarifies all meaning." Mrs. Vallesky, new teacher this year, watches Barbara, Jewel and Jimmie "beg" and "disdain."

Friends, Romans

LATIN CLASS

The advanced Latin class, studying Virgil, are gathered around the new Latin teacher, Miss Pat Grady. She is giving them an explanation of one of the scenes pertaining to classical life. Coralise, Bobbye Jean, Nancy, Jackie, Pat, Dorothy are listening attentively.

Senors, Senioritas

SPANISH CLUB

Miss Kathleen Hodge and her second year Spanish class gathered around the piano singing their favorite Spanish songs. Can you find Connie, Sue, Lois, Clara, Leala. Three Bobs, Pat, Gene, Jack, Richard, Jim, Berney, and Gary.

Secretaries

Salesladies

TYPING CLASS

Someday you may walk into an important business office and see one of these girls busily typing. They are preparing for any typing problem which may occur. These hard working people are the future typists of America.

DISTRIBUTIVE EDUCATION

Earn while you learn. That is exactly what the members of Miss Weinburger's Distributive Education class do. These students attend high school two hours a day and the rest of the day is spent working in local stores.

In this picture Peggy Gallamore gives Angie Dean a salestalk on a sweater.

MUSIC APPRECIATION

Students entering the music course offered at Huntington East are given the full advantage of well-rounded and carefully planned classes. Classes offered in this field are Music Appreciation, Glee Clubs, and Harmony. Those wanting to be music majors usually take Music Appreciation in their sophomore year along with Junior Glee Club. However there is no restriction concerning which year it is taken since it can be had either of the three years. On the other hand, Harmony is given only to seniors, considering the fact that it is difficult to understand without the backing of a couple of years experience.

MATH CLASS

A few of Miss Shumate's trigonometry students are drawing a picture of a problem to help them understand the sines and cosines. This class has already struggled through Algebra, Plane Geometry and soon will try Solid Geometry. They see the light here, but how about you? Try it and see.

FISHING FOR THE FUTURE? NO!!

The students of Mr. Hodges, sophomore Biology class reveal their interest in the Aquarium. Pictured are: Patsy, Patty, Alex, Jim, Phyllis, and Freddy. Tenth Graders of today show an active interest in science courses.

Economics Class from Mr. Gill
Business Leaders of the Future

ART CLASS

Art Class members putting finishing touches on oil and water color paintings to be entered in the annual State and National Scholastic Art Contest. Of 45 pieces entered 38 won recognition. Students in the picture are:

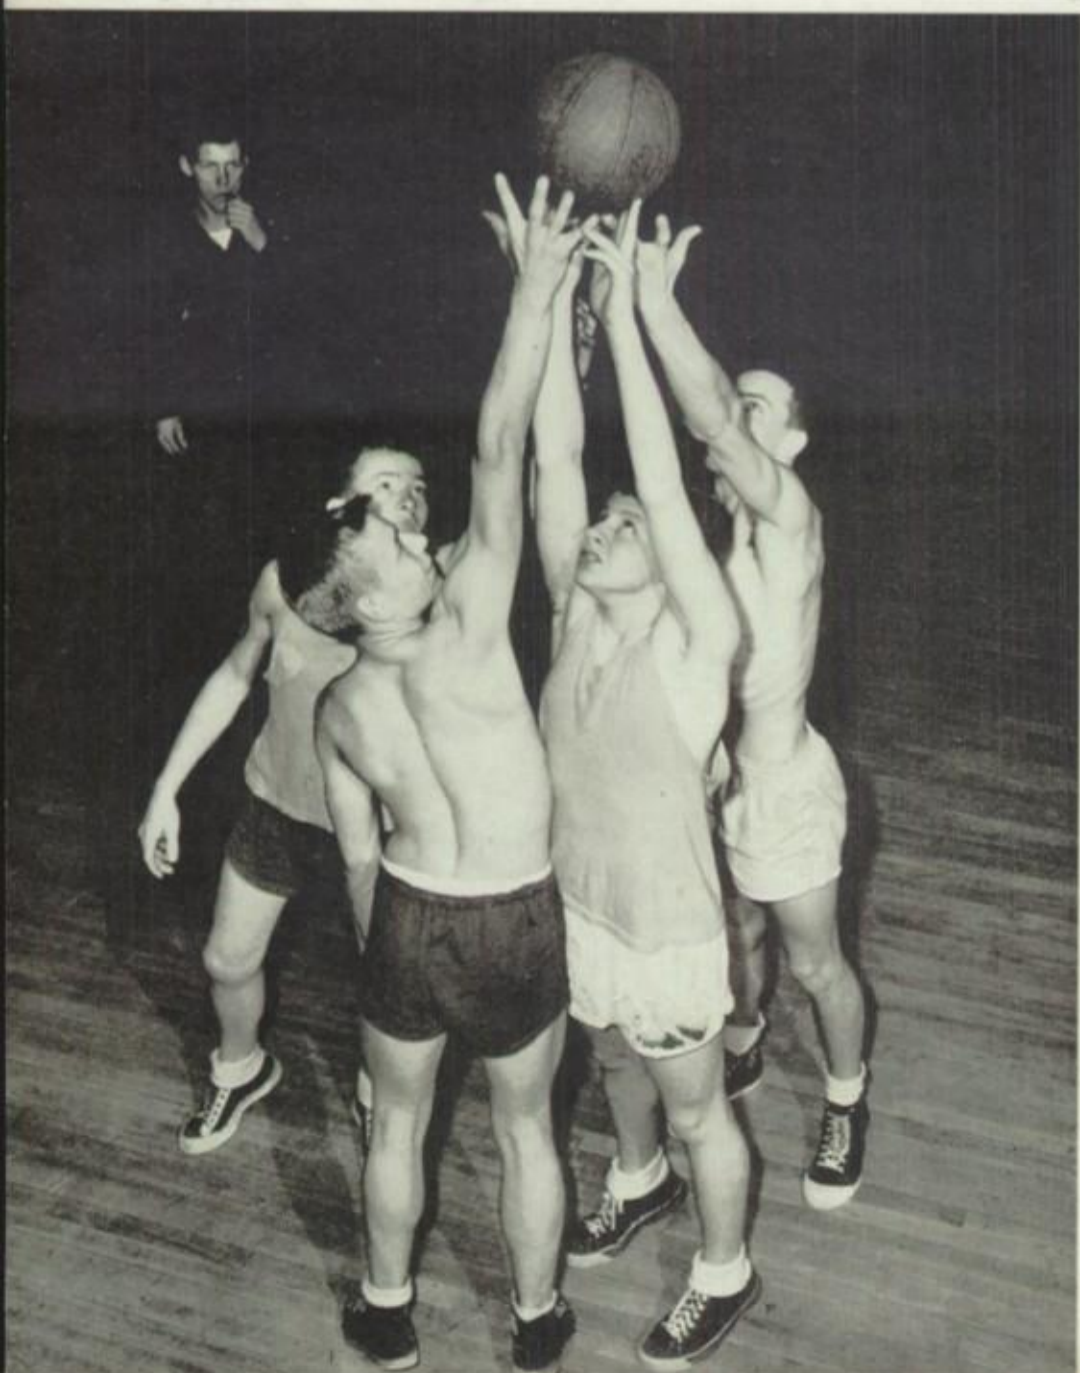

Rebecca Marshall, Carolyn Swisher, Jimmie McComas, Clyde Scott, Jean Kingsley and Regina Wellman.

Bonny Games

GIRL'S PHYSICAL EDUCATION CLASS

Here we see some of the sports which are given in the girl's physical education classes. More than 350 girls in the sophomore and junior classes enter into the fun of volley ball, basketball, softball, table tennis, badminton, aerial darts, and other activities.

BOY'S PHYSICAL EDUCATION

"Up, down, up, down." These are familiar words of Mr. Paletti, Mr. Underwood, and student teachers from Marshall College, urging the boys on with their exercises in the Boy's Gym. Everything from ping pong on the inside to softball on the outside is offered for the boy's fun but they will agree that it is hard work.

AUTO-PRINT SHOP

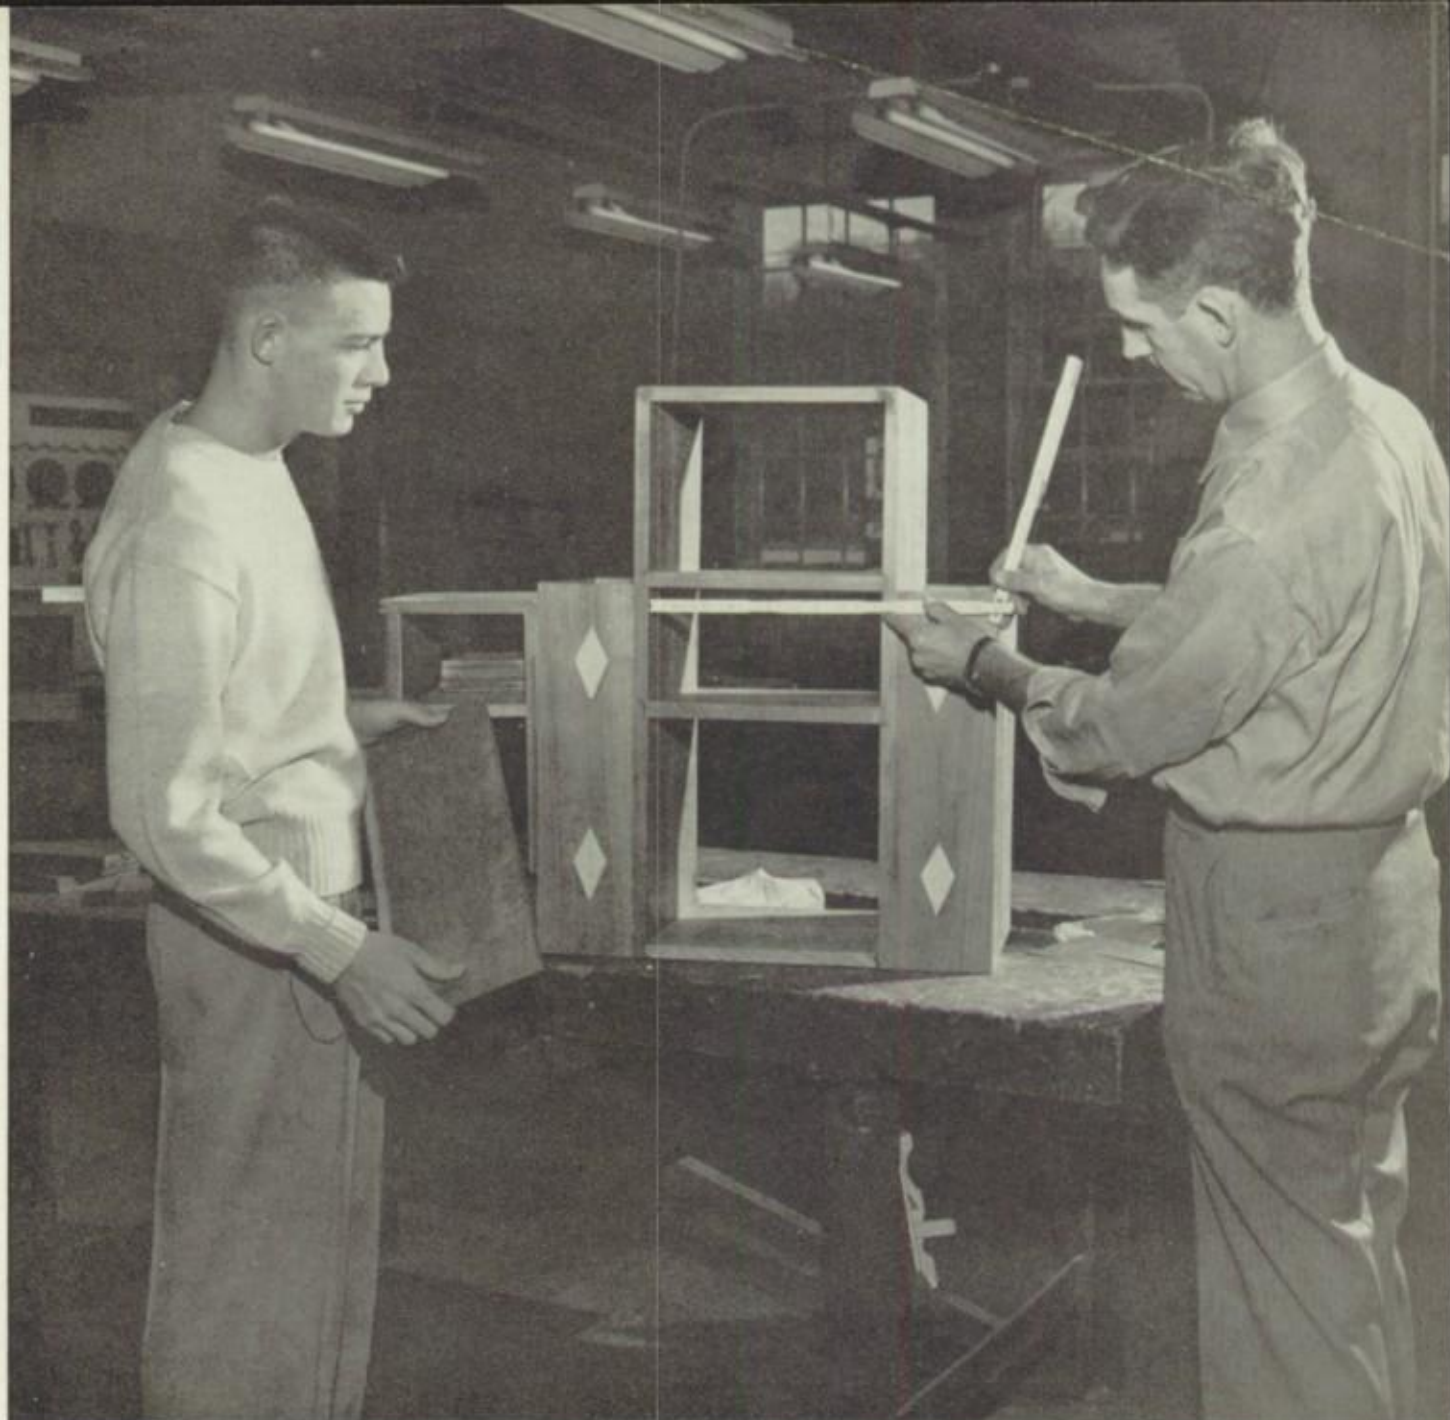

The photographer found Don Nunley, Printing major running off Pages 1-4 of the students newspaper, *The Bagpipes*.

The press Don is using is a hand-press. The shop has 5 presses.

"Fourteen boys are majoring in Printing," said Mr. Moran, instructor. In Auto Shop, the boys conduct a "motor analysis."

MR. COLE

Shop pictures on this page reveal a glimpse of the Pattern, Machine, and Radio Shops. In machine shop the boys are receiving instructions on the operation of a vertical milling machine. The radio group is studying alignment of radios by the use of a signal generator.

Cooking

The way to a man's heart is through his stomach. These are wise words and you gals with your eye on a man had better take heed.

If you want to learn how to cook and do it right, take a course in cooking at East. Here you have all the conveniences of a modern kitchen. You not only learn what to cook but how to cook it.

So all you girls planning on a home of your own and who isn't, better take a year or so of cooking.

The way to a man's heart . . .

Sewing

The first period sewing class is learning to make and line their own coats. Miss Glick is explaining to Gladys Stewart how to cut a lining for a coat. Looking on are Willa Jean Franklin, Theda Franklin and Dorothy Marshall.

SENIOR OFFICERS

Glenn Hunter, Don Thompson and Yvonne Gilkerson were elected as the Senior Officers this year by the popular vote of the senior class.

The president, Glenn Hunter, came from Enslow Junior High School. Glenn is a member of the Torch and Varsity H Clubs. He is majoring in science and plans to be a chiropodist.

Don Thompson, "Slim" because of his 6'4" height, was elected vice-president. He also hails from Enslow Junior High School and is a familiar figure on the football field and basketball floor. Don is majoring in math and plans to be an electrical engineer.

Yvonne Gilkerson, one of the busiest young misses in H. E. H. S., was named Secretary and Treasurer. Yvonne is well known for her musical talent. Her ambition is to be a comptometer operator and to continue with her singing.

Senior Council

SENIOR STEERING

The Senior Steering Committee of Huntington East headed by class president, Glen Hunter, is very proud to have been the first to introduce the new hall monitors. This has proved to be a great help as well as an inspiration to the under classmen. This group acts to initiate any worthy school project. Mr. Simonette is class sponsor.

Class Typicals Eleventh Grade

This year's "typical juniors" are Ann Stewart and Pat Jarrell. Some of the things that have classed them as "typical" are: their ability to get along with everyone, their friendly smiles, and their activeness in school activities. Ann and Pat are well liked at East and have made many friends in the two years they have been attending our school.

Junior Council

The Junior Steering Committee is made up of representatives from each junior home room and the officers of the Junior class. The officers are:

President, Pat Jarrell; Vice President, David Conley; Secretary, Patsy Gray; and Treasurer, Mary Jo Sullivan.

This committee is responsible for raising money for the Junior-Senior Prom. They sponsored the Junior Talent Show which was one of several ways by which they raised money for the prom.

1951-52 Junior Class

And now goodbye to the Junior class aptly named by a former editor, "the middle man." The members of the class entertained the school with their "Talent Show" and the graduating Seniors with a "super" Prom.

Class Typicals Tenth Grade

If you should give your description of a typical sophomore, I am sure that East High has two people that would fit the bill. Joan (Joady) Holland and Ralph Nelson, because of their many and varied interests and enthusiastic school spirit, have been elected "typical sophomores" of '52. Joan and Ralph are setting grand examples for the other students. As long as East has students like Joan and Ralph, we shall be proud to call ourselves Highlanders.

Sophomore Council

For the first time in the history of the school the sophomore class presented an "All-Sophomore" assembly program, "The Record Shop." Taking an active part were Bill McCloud and Donnie Chapman, owner and clerk in Shop. Customers: Clarence Taylor, Marilyn Kitts, David Kirk, Sue Thacker, Ralph Nelson, Charles Guinn, Philip Swann, Alex Lawrence, Roberta Chafin and Keith Brown.

The steering committee wrote and carried out the entire program.

1951-52 Sophomore Class

The Sophomore clans, with two more years to go, have made a fine record in the '51-'52 season. For the first time in history they organized a steering committee and began their activities. Remember the "Record Shop."

The East Hi Staff hampered by a scarcity o'six-pences . . . has striven tae produce a real highlander Bukie . . . usin' photographs for adjectives . . . and hae endeavored tae gie a bonnie scotch air in style and language . . . it is hoped that the mony weary nichts spent in preparation hae fulfilled the purpose.

Activities

Editorial Staff - Ad Staff

As you leaf through your annual this year, stop once in a while to read those "intelligent" words beside the pictures; the words that were so cleverly put together by the "hard working" annual staff.

Your annual doesn't just happen. It is the product of many days of confusion and hard work. The thirteen people who compose the annual staff, ably and patiently assisted by Mrs. Osborn, have worked many months and are still working, planning the "52" book, in order to give you this wonderful book of memories.

The Keystone and the Flaming Torch

Audrey Spurlock, President; Robert Stark, Vice President; Donald Clark, Secretary and Treasurer; are this year's directors in the Periclean chapter of the National Honor Society. This group with the emblem of the keystone and the flaming torch exemplify the highest achievement of the school in "Scholarship, Character, Leadership, and Service."

Members of the Torch are "tapped" annually in an inspiring initiation service.

Hi-Y

The purpose of the Hi-Y is to create, maintain, and extend throughout the school and community high standards of Christian character. The Hi-Y is built upon a platform of clean living, clean speech, clean athletics, and clean scholarship. Activities of the George Williams Hi-Y Club of East High include an annual social function, monthly church attendance in a group, and Youth in Government Day during which club members take over City Government. Mr. Griffith is club adviser.

Key Club

The Key Club, a member of the International Key Club and sponsored by the Kiwanis Club, has a membership of twenty-four boys, eight of whom are seniors.

The purpose of the Club is for the betterment of the school and community. The Club undertook various projects, basketball games, proceeds went to charity; a campaign collecting newspaper and magazines, proceeds financed representatives to the district meeting.

Junior Members Y.W.C.A. Y-Teens

The Y-Teens are a younger branch of the Y.W.C.A., a national organization. They take an active part in the Y's social services. The East High Club also has social activities within its own club. To the state convention at Jackson Mills East High sends representatives.

The advisers for the club are Mrs. Swentzel, school adviser, and Mrs. Rogers.

Officers are as follows:

Esther Patrick	President
Janice Campbell	Vice President
Peggy Parker	Secretary
Joyce Newton	Treasurer
Mary Jo Sullivan	Chaplain

Nine members of the Art Club who participated in a Halloween window painting contest were Johanna Johnson, Barbara Faulkner, Joann Holland, Rose Ann Workman, Nina Jo Watts, Marilyn Booton, Jimmie McComas, John Lewis and Gary Blake. They won a \$10 prize for the Pilgrim Laundry window to the left, using the theme of the "Visit of the Spirits."

Latini Socii

The Latin Club, one of Huntington East High's largest and most active clubs, is under the leadership of Miss Pat Grady as sponsor and Jackie Dixon, President. The biggest activity of the club is the Roman Banquet held annually in April, with all the glory and festivity of old Roman style. Some of the other activities include weiner roasts, initiation for new members, sock hops, skating parties and dances.

The Varsity H Club this year elected Bob Moss as President, Bob McCollins as Vice-President, and Roy Price as Treasurer. "Spike" Underwood is the faculty adviser.

To be eligible for membership in this club, a boy must have earned a varsity letter in football, basketball or baseball. Members of the club can be recognized by the maroon and gold Varsity H pin they may be wearing, although most of the pins are worn by members of the fairer sex.

This year the members sold Highlander stickers to raise money for a club activity.

Community Living Club

The purpose of this club as stated on membership cards "shall be to promote community service and social enjoyment among your fellow students."

All members are seniors this year but we are hoping that, in years to come, the Community Living Club will grow and that the future members will fulfill all the hopes and dreams of its pioneers.

Home Economics Club

The purpose of the Home Economics Club, under the direction of Miss Cochran, is to put into practice some of the things learned in the Home Economics classes.

The Club helps make better citizens by giving the knowledge of the finest ideals and the application of this knowledge in everyday life and offering a promise of vigorous health and abundance.

"Oooh, just missed him!" "I can't watch." These are familiar words of Drivers Education students.

"Where's that arm signal?" "Clutch in, *please*." These are familiar words of instructor, Harry Morris.

Despite the impression you may get from this, students who take this course are good, reliable, "safety-first" drivers. This club, one of the most popular in the school, provides lots of entertainment for the members and their dates.

Officers of the club are: President, Don Johnson; Vice-President, Roy Joe Thompson; Secretary, Nancy Prader; Treasurer, Nancy Carr.

The motto of the club is, "Safety first in driving and security before sociability."

A Cappella Choir

This is the third year for the A Cappella Choir. It had been a large group called Senior Glee Club. It is now divided into two groups, A Cappella Choir and Senior Glee Club.

The Choir appears often on the East High Stage for assemblies. They always present a cantata at Easter time. This year they gave an operetta. This is the first time for several years that the music department has given one. On February the 4th they made a trip to Charleston to give a program at the Stonewall Jackson and Charleston High Schools. The group sings without accompaniment. That is the meaning of the word A Cappella. Mrs. Lynette Curtis is the teacher for the tenth successive year and accompanist for the group is Janet Lou Coffman.

The Girl's Trio is a tradition in the East High Music Department. This year's group includes Marjorie Steele, second alto; Barbara Smith, first alto; Janet Lou Coffman, soprano; and Sue Snider, accompanist. Barbara and Sue are music majors and Janet and Marjorie are music minors. This group is popular with the student audience.

The Huntington East Orchestra, under the direction of Mr. Leland Arnold, is one of the most active groups around the school.

The Orchestra has had a busy year playing for the school assemblies, St. Joseph Minstrel, and Commencement Exercises.

The East High Orchestra and Huntington High Orchestra combined made up the Huntington Youth Symphony Orchestra which gave two public concerts.

East has had the greatest number of students of any school in West Virginia chosen for the All-State Orchestra.

Jack Spurlock

Introducing our senior drum major who is Jack Spurlock.

Jack comes to us from Enslow Junior High where he was drum major.

He plays the clarinet, piano and organ, and plans to have his own radio show, in which he will play the organ.

Jack plans to go to college where he will major in commerce and minor in music.

His ambition is to direct singing.

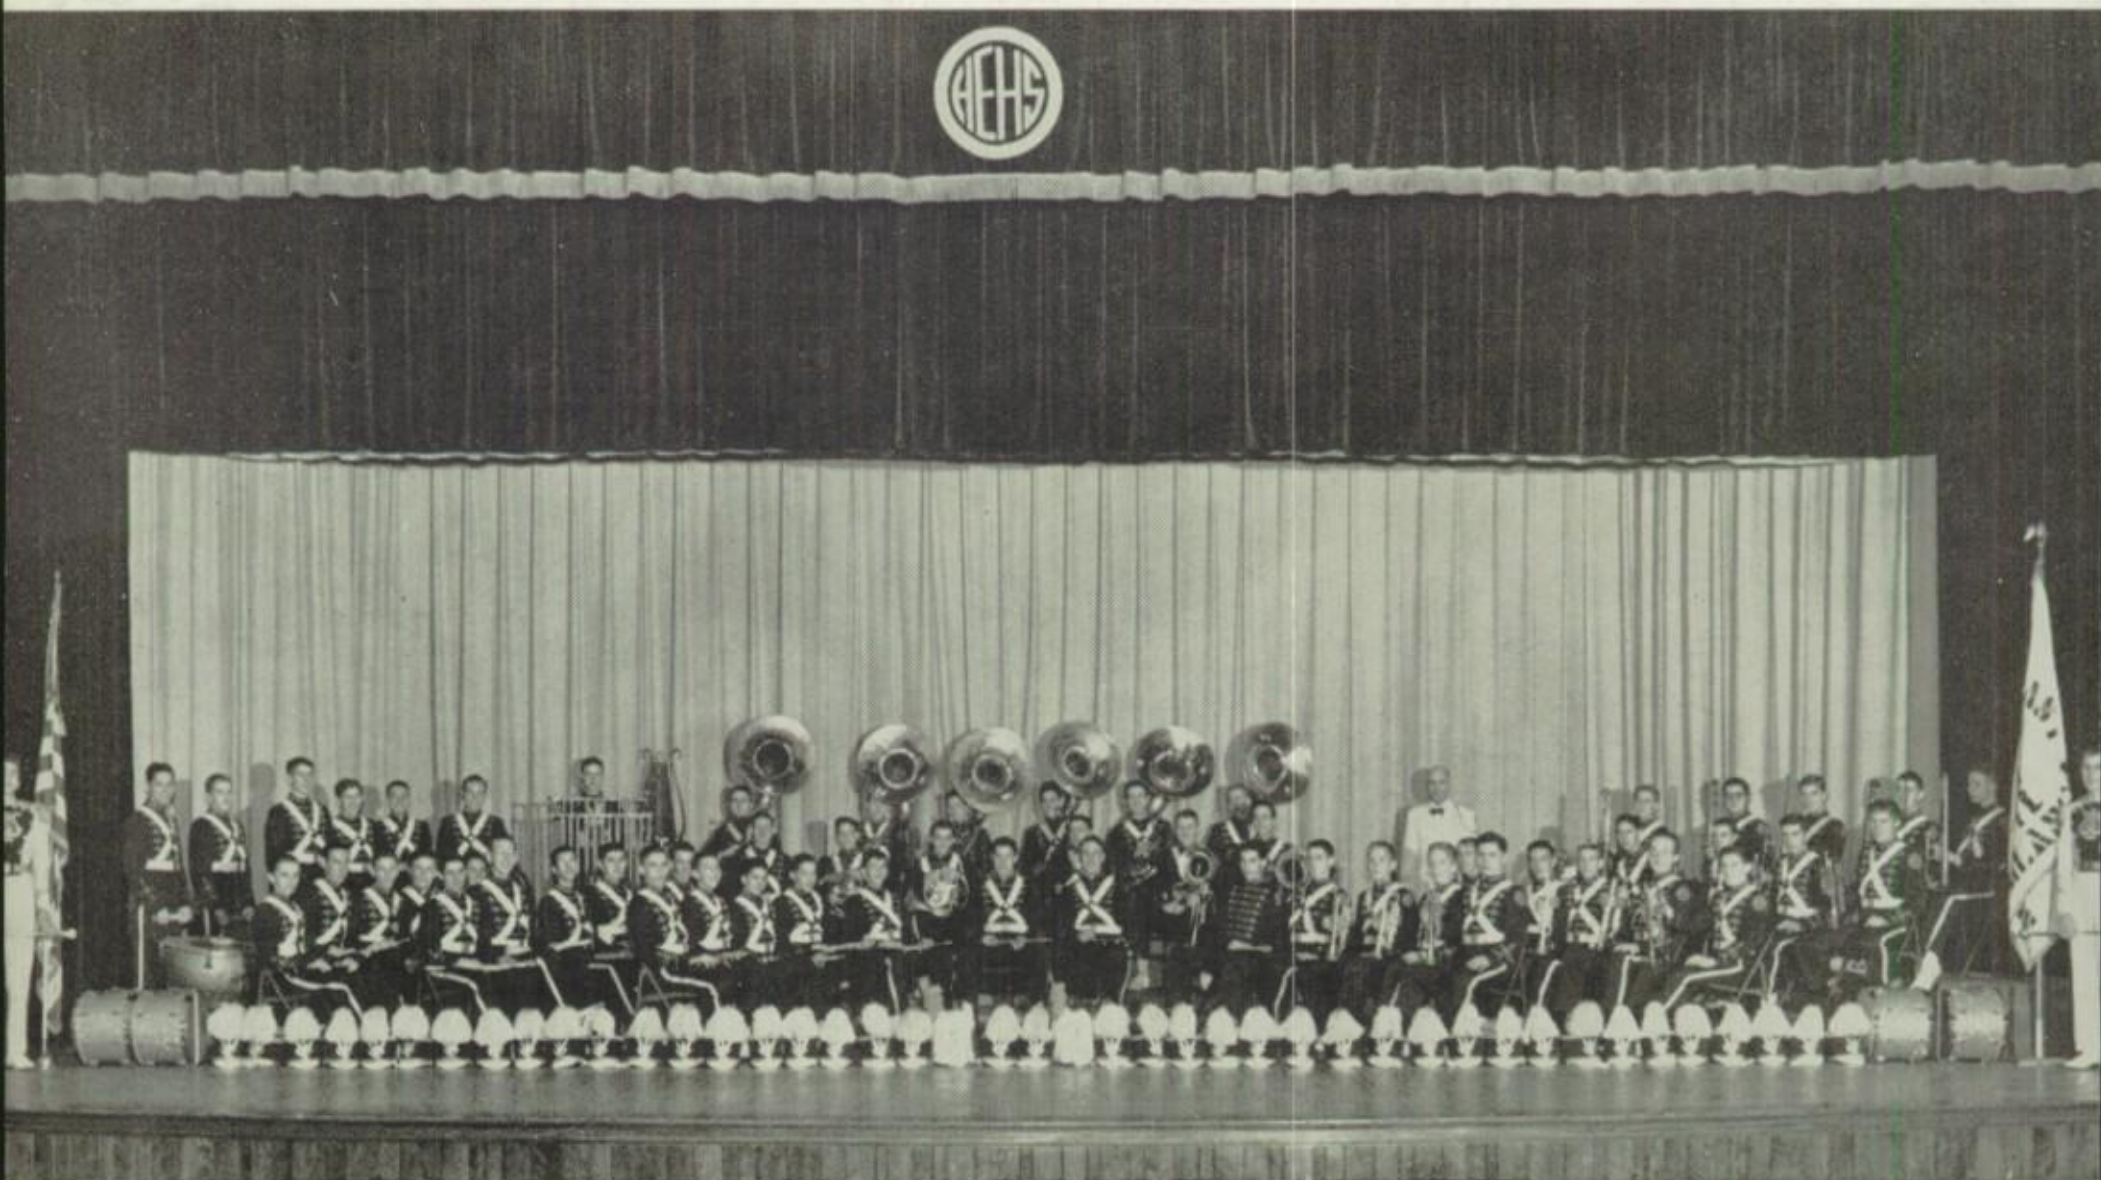

The Highlander Band, clad in their military type uniforms, proudly represented East High on many occasions. Appearing at all football games, (rain or shine) they always presented an entertaining show. One highlight of the year was a trip to Parkersburg to represent Huntington in the State Elks convention. The Highlander Musicians walked off with first prize, with which they purchased their new gold drums. The climax of the year was their participation in the colorful State Band Festival.

Miss Highlander - 1951 -

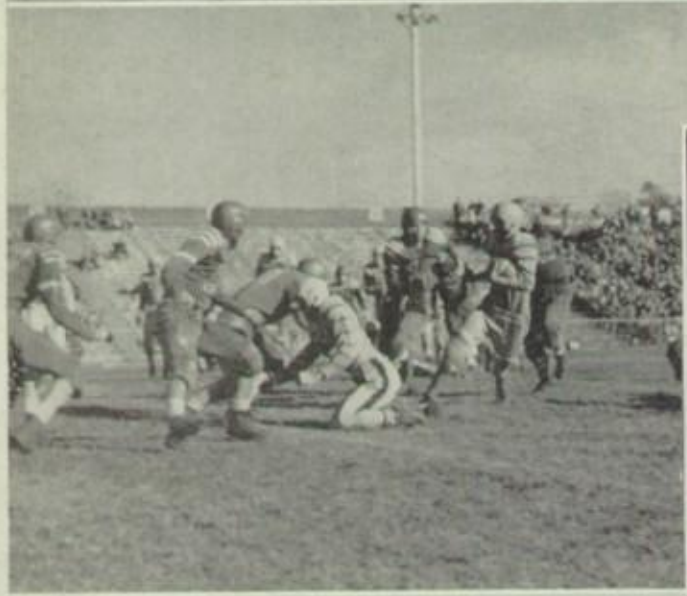

The music begins, the lights go down, into the spotlight steps "Miss Highlander" of 1952, Miss Kay Hughes. Kay is the daughter of Mr. and Mrs. J. R. Hughes of 531 Bridge Street. She is 5'7" and weighs 120 pounds. Kay is well known at East for her charming personality and sweet smile. She proves that you can have both beauty and brains. She was a member of the Honor Society at Enslow and is a member of the Torch at East. Kay's chief interest is art, which she hopes to make her career. She likes football, red roses and Milton Berle. She is truly a "Highlander."

Queen's Attendants

Sharing the spotlight with "Miss Highlander" this year are Dorothy Birchfield and Carole Kingsley. Dorothy is 5'5" in height, weighs 115 pounds, has brown hair and blue eyes. Carole is 5'4" in height, weighs 120 pounds, has blonde hair and blue eyes. Dorothy and Carole are tops with their classmates and are always ready with a friendly smile. During the three years they have been at East they have made many friends, and we are sure they will continue to do so.

The Highland Warriors Hiked Up Their Kilties and Delivered Tae Their Auld Enemies Many A Lusty Blow. A Highlander Line Didnae Give An Inch While The Backfield Took Many A Yard.

Athletics

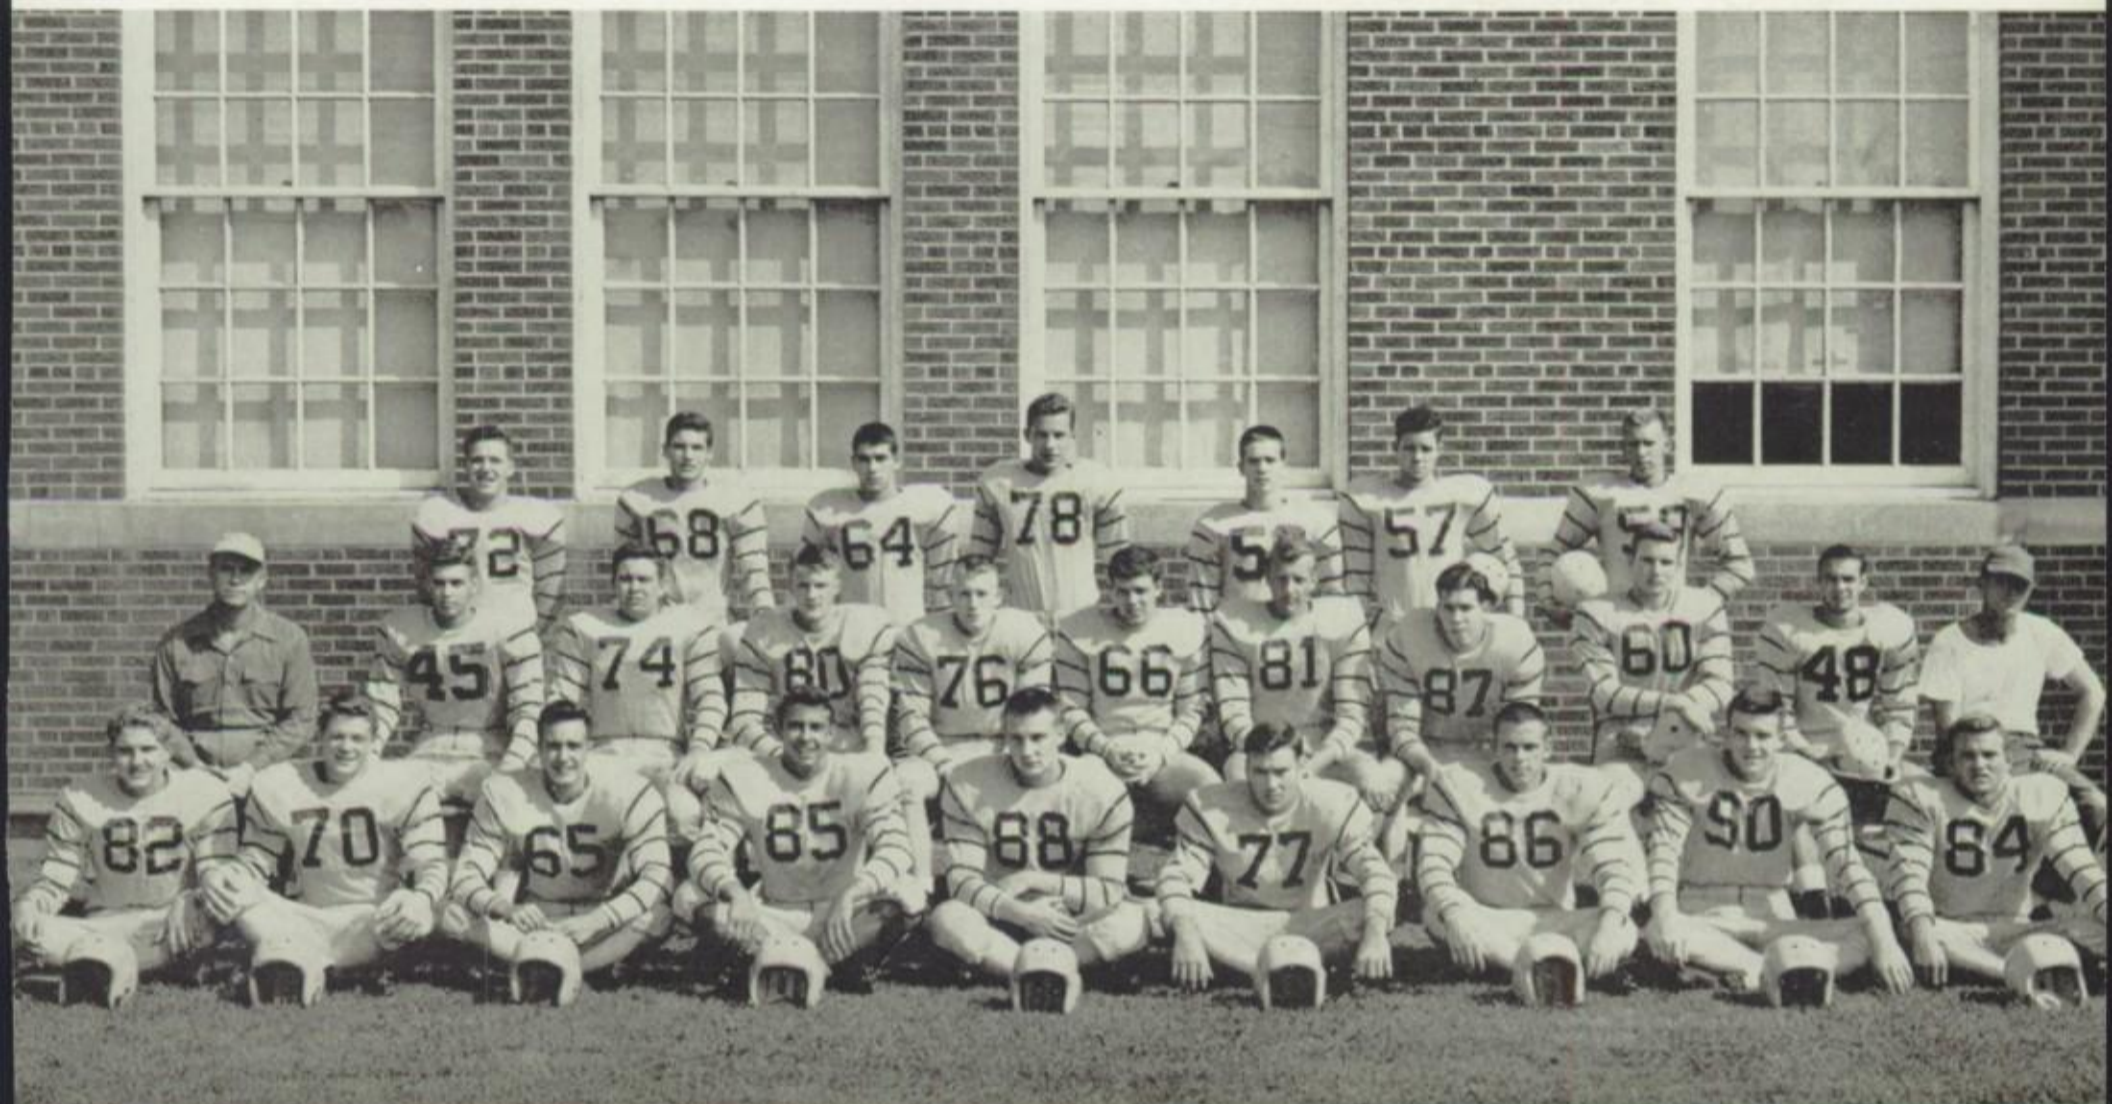

MR. WILLIAM SAYRE has the job of Athletic Director, which consists of scheduling all athletic contests and taking care of the financial problems. Under COACH ALDO PALETTI's able guidance, the Highlander team won one State Basketball Championship and were runners-up another year. Mr. Paletti came to East in 1941 as assistant basketball coach. After serving in the Air Force, he returned in 1945 and became head basketball coach. COACH FOREST UNDERWOOD, better known as "Spike," came to East when it opened, with an A.B. degree in physical education. Coach Underwood has led his football teams to 41 wins, 15 losses, and 3 ties. MR. CLAUDE STARKEY became assistant basketball and football coach when he came to East in 1946. Stark, as he is known to the boys, also teaches American History.

Football Varsity Seniors

The Highlanders this year, even though they played a very tough schedule, had a successful season winning 6 while losing 2 and tying 2. They ended the season by beating Central in a thriller, 12-7, for the 3rd straight year. By winning those 3 games against Central, the school will keep possession of the W H T N trophy first offered 3 years ago.

Highlanders 1951 Football Action

A. Big Bob Moss scoring the first of his two touchdowns in the game against Central this year which East won 12-7.

B. Speedy halfback Jim Bills is taking a reverse around left end for a long gain against the red and blue of the Pony Express.

Second Row: Riggs, A; King, G; Rowsey, D; Bragg, W; Frame, J; Stevens, D.

Third Row: Rankin, B; Paletti, A; Wilkey, D; Rairden, D.

Highlander Basketball Squad

The Highlanders, this year, had the greatest season in the school's history, winning 18 and losing 1, and going undefeated in state competition during the regular season. They won the Western West Virginia Basketball Conference by winning all of the 9 games they played in the league.

After losing the one game early in the season they came back strong and finished by clipping their final 15 opponents.

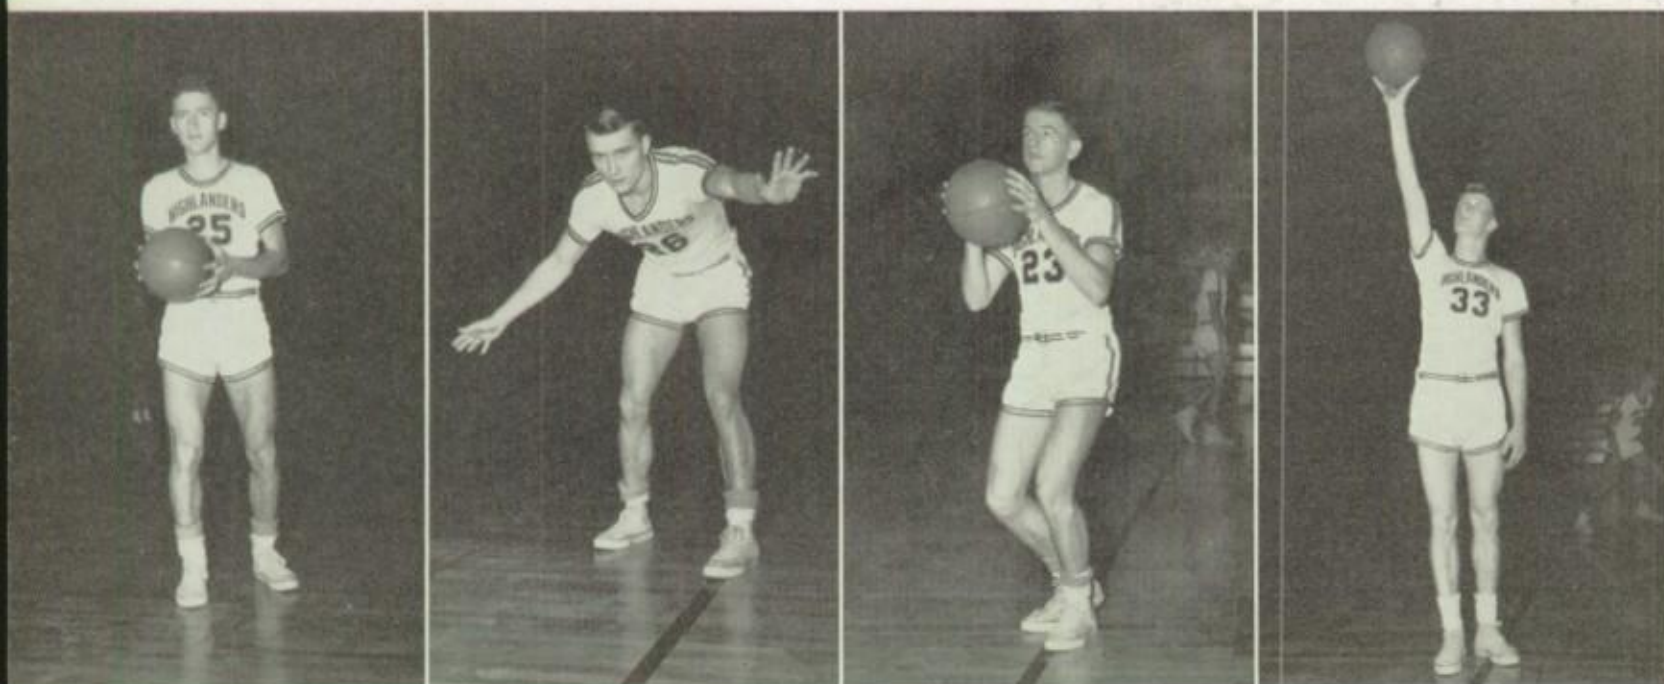

The team consisted of 7 seniors and 5 juniors with the seniors doing almost all of the playing. They were pressed to win a few of their games by close scores but held their opponents to a scoring average of 48 points while the Highlander's scoring average was 61 points.

To the right is an action shot in a game between the Irish of St. Joe and East's Highlanders with Jim Chapman taking deadly aim for one of his sure fire left hand shots.

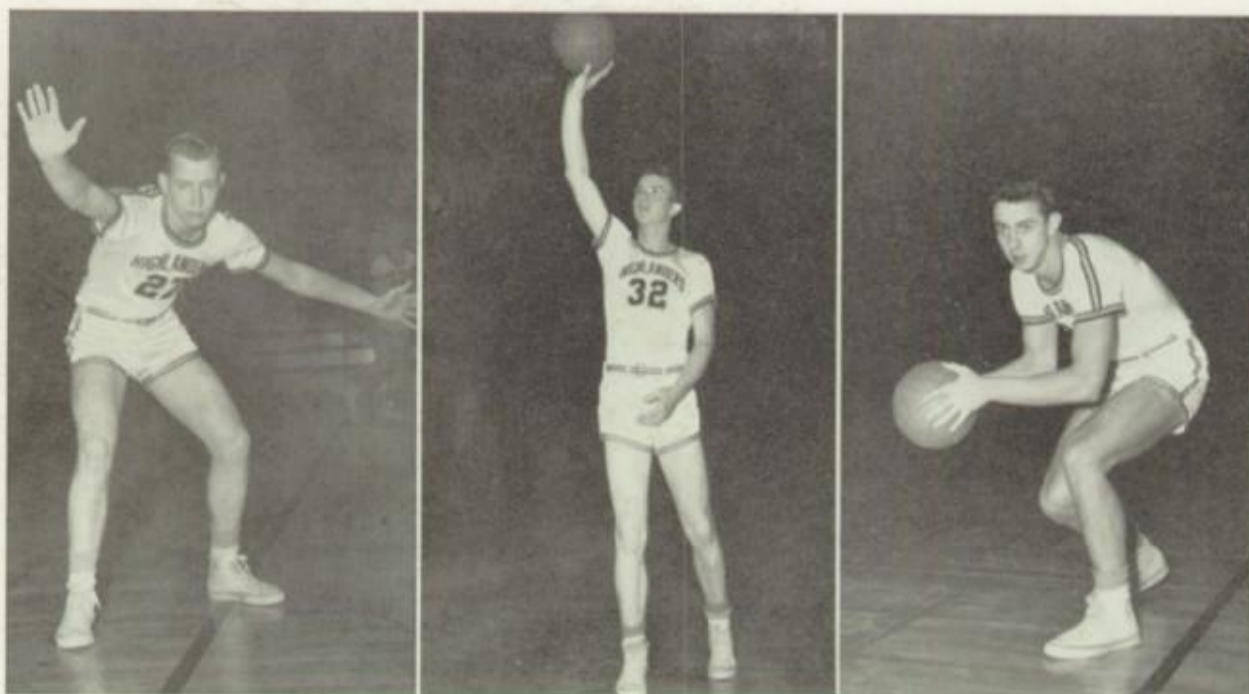

Action Shots

Below are seen Dean Sedinger, forward, dependable for his steady shooting. Ron Carico, guard, the team's play-maker. Jim Chapman, guard, called "Dangerous Jim" because of his deadly shooting, and Dale Boster, forward, whose rebounding helped the Highlanders under the basket.

Don Adkins, steady guard of the Highlanders with his set-shots, Don Thompson, center, tallest member of the team who uses his great height to good advantage, Bob Moss, forward, the team's captain, whose flashy dribbling and sure shooting was instrumental in the Highlander's success.

Basketball Varsity Seniors

Don Thompson, tall Highlander center, stretching to score two points against Ironton in the East gym. His height used in rebounding was a tremendous factor in the success of the team.

MEMORY LANE

As we begin our stroll down "Memory Lane" we see many wonderful things which have passed before us. Our fondest memory was the first trip through the doors of Huntington East High School. Down the halls and through the corridors to which we thought we would never become accustomed.

We eagerly awaited each Friday's assembly, and although we were lowly sophomores in the balcony, we were the first to rise at the sound of our Alma Mater.

Our first great accomplishment was having John Seay and Connie McClure chosen typical sophomores, two people of whom we are proud.

This year's hit parade featured such favorites as "Maybe It's Because," "Someday," "Mule Train," and "Dreamers Holiday."

Our football team made a great showing this year, winning nine out of ten games, ably assisted by several members of our class.

This year we were excited and proud as our band wearing new uniforms marched down the aisle of the East Auditorium.

These activities made the days go fast and without realizing it we were through our first year as Highlanders.

The summer passed rapidly and soon we were beginning our Junior year. This year brought heartache as well as happiness. One of our dearest friends was to leave us. Mr. O. E. Hodge, first principal and counselor of East High, was promoted to assistant superintendent of schools, in Cabell County. To his office came a stranger, later to be loved by all Highlanders, Mr. C. V. Boyer.

Again our football team came through and beat Central for the second straight year. We also had a good basketball team this year winning twelve out of eighteen games.

Our Junior Talent Show, in the form of a minstrel, went over big.

Junior class officers were Bob Moss, president, Tim Wheatly, vice president, Coralise Clark, secretary. Connie McClure and Bob Moss were chosen typical juniors.

Our contribution to the cheerleaders was Jessie Tatum and Eleanor Faulkner, while Judy Hatten and Connie McClure became majorettes.

The songs that stirred our hearts this year were such never-to-be-forgotten tunes as "Tennessee Waltz," "All My Love," and "My Heart Cries For You."

Then with the closing of school came our greatest thrill of all "The Junior-Senior Prom," with its theme "Harbor Lights." This was our gift to the graduating class of '51.

In our senior year we started off with a bang, electing Glenn Hunter class president, Don Thompson, vice president, and Yevonne Gilkerson, secretary.

We topped off a wonderful football season by winning the WHTN trophy which will now remain in our showcase for all to see and remember the team of '52. We had the best basketball season since 1947. The students showed good judgment in choosing Kay Hughes as Miss Highlander and Dorothy Birchfield and Carole Kingsley as her attendants.

Various talents were presented at our Color Day assembly when we introduced our colors of Maroon and White.

We lost a very dear friend this year when H. C. Shadwell passed away.

In an assembly put on by the band and orchestra Mr. Arnold was presented with a lovely new uniform.

This year we placed Pat Winters and Phyllis Anderson on the majorette squad.

Such tunes as "Cry," "Tell Me Why" and "Because of You," filled our year with many happy hours.

We turned out a wonderful senior play this year called "Smarter and Smoother" starring Jean Meadows, Judy Hatten, David Dunlap and Delmas Goodin.

This year as June approached it did not bring with it the happy feeling of a summer vacation. This year we would end our career as Highlanders. No longer would we be carefree Highlanders, but grown people with our own responsibility. With these thoughts in mind we turn our back to "Memory Lane" and begin a new path all its own.
